<p>18 turnouts entered the joint Oxford and Wiltshire BDS Trec held at Eynsham Park Oxfordshire on April 30th. Additionally there were BDS Dressage classes. It was a new venture and by the letters received afterwards a great day was had by all who attended. Two Area shows have been held, for the first time the Spring Show had to be postponed due to the weather conditions during the previous week which meant the field could not be cut for silage. The event was re-arranged for June 17th. Sadly both shows were very poorly attended which has meant that sadly the Festival has been cancelled for this year. There will be several informal events during the rest of the summer to which members from adjoining areas are always welcome.</p> <p>Please keep an eye open for further events in the Area by checking our Web site.</p> <p>Any helpers for the above events are very welcome please contact either Joyce or myself.</p>
